

# February

## Laguna Elementary and Middle School Newsletter

This trimester is almost over. Our students, families, and teachers have been working hard the past two trimesters. We need to keep up the pace and stay strong to finish out the school year. As always, please reach out to me if you have any questions or concerns.

Stay Safe,  
Nimrah Marquez, Interim Principal  
Laguna Elementary & Middle  
School

Assessments...  
We are still uncertain if assessments will be waived for this school year as they were last year. However, we are still planning in case we move forward with testing. We want to be prepared. Please be patient as we work through this. Further details will be forthcoming.

### Important Dates...

-02/14 Valentine's Day  
-02/15 No School: President's Day  
-02/16 No School: Staff Professional Development Day  
-02/17 Board Meeting @4:00pm  
-03/04 & 03/05 Parent Teacher Conferences

Don't forget to continue to submit photos for the yearbook. Links are on the webpages.

### **LES VIRTUAL EVENT ANNOUCEMENT**

Greetings Students, Parents & Families,

I hope you are doing great! Well, it's almost spring time. I want to encourage you to "Spring into Action" by joining us in the first-ever, "Laguna Elementary Virtual Run/Walk Event" to be held during Spring Break from March 15<sup>th</sup>-March 21<sup>st</sup>, 2021. LES students will have one week to complete their age-group mileages and will receive a prize as a result of their run/walk accomplishment. We are asking parents & guardians to kindly support us by taking pictures or capturing video clips of your child as they engage or complete their running or walking challenge. This will be used as evidence of participation in the virtual event. So, be on the look-out as we will provide you with more information and details in the next upcoming weeks! Continue to be healthy and strong! Remember to social distance, mask-up and wash your hands. We know you can do this—keep moving forward and take good care of yourselves and each other. If you have any questions, please feel free to contact us at: [lesphysed@gmail.com](mailto:lesphysed@gmail.com) or at (505) 552-9200.

Many Blessings,  
Ms. Treva Riley, Phys. Ed.  
Laguna Elementary School  
[t.riley@lagunaed.net](mailto:t.riley@lagunaed.net)

We are working on bringing LMS a virtual event. Information will be posted as it is organized.
